Thanks Eric. I'm considering having the meeting outside of Portland, and would like to know if Olympia would be a suitable venue, or if Portland is preferable. Please let me know.

Thanks
Valerie

Meeting Times:

Eric -

Based on responses from key LWG consultants, it seems April 2 is the best date for this meeting. Please confirm that this still works for your team, and I will then work out details regarding location and timing.

Cheers
valerie

Valerie, as promised, here are some times for the Fate and Transport/FWM Meeting:

Week of March 19th: This does not work for Burt and most of us.

Week of March 26th:

I am out all week. We have a TCT on the morning of 3/28. Burt is available except for the TCT and March 29 - 9 am to noon. Carrie Smith is generally available except for the TCT. Kristine Koch is generally available except for a 9:00 to 10:00 meeting Tuesday morning and the TCT.

Week of April 2nd:

I am generally open all week. Burt is available except for April 4 - 8:30 - 11:30 am. Carrie Smith is generally available. Kristine is not available on the morning of the 4th, all day on the 5th and will be in Portland for a DEQ meeting on the morning of the 3rd. she is wide open on the 2nd and 6th.

Bruce Hope will not be attending the meeting. Depending on the focus of the meeting, others may attend as well but we are trying to keep it small.

Please check with Carl Stivers, John Toll and Nancy Judd and whomever else regarding their availability.

Thanks, Eric
